8th Annual SHS PTA After Prom Fundraiser

Prom is an exciting time for our High School Juniors and Seniors. It is a night filled with friends, music, dancing, and memories to last a lifetime. Unfortunately, prom is also one of the riskiest nights for teens, with an increase in alcohol and drug use, sexual activity and other unsafe behaviors. The After Prom begins when the prom has ended and offers a safe, supervised place for the fun to continue. The success of After Prom depends on the generosity of Solon families and friends. Please make a donation to our PTA to continue this wonderful tradition. Prom night should be a night to remember, not a night to regret. Together, we can empower our children to make safe and healthy choices.
