

SOLON CITY SCHOOLS ONE2ONE DEVICE USAGE AGREEMENT

Dear Student and Parent(s):

This year you will be receiving a Solon City Schools' Chromebook. The Chromebook is an integral part of our instructional program and students and teachers will use them every day as part of their teaching and learning. While the Chromebooks remain the property of Solon City Schools, they will be used by the student throughout the school year and over the summer until the student graduates or leaves the district. In order to receive the Chromebook, the student and parents/guardians must agree to the terms of this agreement. If the student or parents/guardians do not agree with the terms of this agreement, the Chromebook must remain at school.

One2One Device Usage Agreement Terms

- Students will present the device to any school administrator or teacher for inspection of any content sent or received on their Chromebook.
- Students will report to building administration or teacher any incidents of inappropriate communications sent in any form.
