

ORCHARD MIDDLE SCHOOL

COVID-19 CORONAVIRUS UPDATE FOR MARCH 15, 2020

Dear Orchard Families,

As you probably have heard by now, the Solon Schools are **CLOSED tomorrow, March 16**. We know what a challenging time this is for everyone.

PICKING UP NECESSARY EDUCATIONAL MATERIALS:

Students only (no parents) may come into the school tomorrow, March 16, between 11 a.m. and 6 p.m. to pick up necessary educational materials in their lockers and classrooms. We are making Chromebooks available to every Orchard student who needs one. Each student's assigned Chromebook will be sitting on their desk tomorrow.

Upon leaving the building, students will be asked to sign out their Chromebook.

4TH QUARTER LEARNING OPPORTUNITIES:

Learning opportunities for students moving forward will begin on Wednesday, 3/18. Orchard students will be able to see their learning opportunities on their teachers' website and Google Classroom.

MEDICATIONS:

If your child has a prescription medication that is administered at school, **parents or guardians** only should pick up the medication from the nurse in the clinic at school tomorrow between 11 a.m. and 6 p.m. Enter the building at door 18 by the main office. Family members picking up medications must come to the clinic and then exit the building immediately.

SOCIAL DISTANCING:

Social distancing is critical to minimize the spread of COVID-19. If you are coming to the building tomorrow, it is imperative that students go directly to their classrooms and lockers to get what they need and exit the building right away. Students and parents should not congregate or socialize in and around the building.

If you have questions, please contact your building principal via email.

Thank you for your support.
