**Attendance**

Regular attendance is a significant student responsibility at all grade levels. Many studies correlate regular attendance with success in school. Regular attendance means that the academic learning process is not interrupted, less time is spent on make-up assignments, and students benefit from participation and interaction with others in class. Many important lessons are learned through active participation in classroom and other school activities that cannot be replaced by individual study.

Establishing a pattern of good attendance will benefit the student in school and in the workplace. Attendance is important in the development of a high quality work ethic, which will be a significant factor in a student’s success with future employers. One of the most important work habits that employers look for in hiring and promoting a person is his/her dependability in coming to work every day on time. This is a habit Solon High School wants to help students develop as early as possible. **Student attendance records are part of the official transcript.**

State law specifically states that every youngster up to the age of 18 must attend school. The law is also very clear on what constitutes a legal excuse for an absence from school. No parent or guardian has the right to excuse his child or anyone else’s child from school for any other reason than those stated.

**Parents/guardians must call the attendance office (349-8037) each day that a student is absent** (special arrangements may be made for extended illness). Parent/guardian of a vocational student must call both S.H.S. and their student’s vocational school. Students only need to bring a written note from parent/guardian if a phone call has not been received in the attendance office. Students returning to school without a phone call or note will be considered unexcused. This absence can be changed to excused (see criteria for excused ab-
ences Page 11) with a note or phone call from parent/guardian to the attendance office within twenty-four hours from the date of absence.

If no parent/guardian phone call is received in the attendance office, it is our policy to call the home of the absentee. It is also our policy to spot check students’ absences even if a phone call to the school is received.

Attendance is checked at the beginning of each period. It is especially important that each student be present in first period in order to avoid being listed as absent for the entire day.

Students who are absent from school due to illness but are seen in or around the school or in the community during the school day could have their absence marked as unexcused. If a student is too ill to come to school, he/she is too ill to go anywhere else other than a doctor. Students who return to school for just one period or to obtain assignments must report to the office for an admit pass.

House Bill 410 defines excessive absence as a student who is:
- Absent 38 or more hours in a month with or without an excuse, or
- Absent 65 or more hours in a year with or without an excuse.

Within 7 days of your child reaching the number of hours identified, you will receive a letter. The district will work with you to develop an absence intervention plan to prevent absence in the future.

Students tardy to school **MUST** report to the attendance office to check into school. Students with a note from parent/guardian or doctor will be given an excused admit pass to class. If a student does not have a note, an unexcused admit pass will be issued.

Even though students may be excused for their absences, the absences will be calculated in accordance with Board Policy 5200.
Truancy
Unexcused absence from school (truancy) is not acceptable. Students who are truant will receive no credit for schoolwork that is missed. House Bill 410 defines habitual truancy as:
- Absent 30 or more consecutive hours without a legitimate excuse
- Absent 42 or more hours in one month without a legitimate excuse
- Absent 72 or more hours in one year without a legitimate excuse.

When a student is habitually truant, the district is required to assemble a truancy intervention team to develop a truancy intervention plan. The team will be composed of staff members, who are familiar with the student and the programs, and parent(s). The purpose of the team is to identify specific barriers and solutions to attendance. These could include:
- Assign student to a truancy intervention program
- Provide counseling to the student
- Notify the Registrar of Motor Vehicles of the student’s absences
- Require parent to attend a truancy prevention mediation program

Once the plan is in place, the goal will be to see an improvement in school attendance.

If the student refuses to participate in or has failed to make satisfactory progress on the plan within 61 days, the district is required to file a complaint with the Judge of the Juvenile Court in compliance with House Bill 410.

Exam Attendance
1. Regular classes will not meet during mid-term exams. Students will be required to attend only when an exam is scheduled.
2. Failure to attend an exam may result in an “F” for the exam grade for that subject unless:
   a) arrangements to take that exam at another time were approved by the principal prior to the day of the exam or
   b) in the case of illness or other emergency situation, the school has been promptly notified and arrangements for the make-up exam have been made.
3. All exams (both midterms and assessments taken the last three days of the school year) **must** be taken during the three-day testing period. No exceptions will be made. If your student misses all 3 days without medical documentation, he/she will receive zeros on the exams.

**Exemplary Attendance**

Students are eligible for the Exemplary Attendance Award if they meet both criteria below:

1. They have 3 or less hours of absence (this includes tardies and early dismissals).
2. There is a combination of 5 or less excused tardies, and/or excused early dismissals. (It is still considered an early dismissal if the student returns to school.)

*Please note: Medical appointments are included in this clause, as are excused and/or tardies/early dismissals.*

** A student must be enrolled the entire school year at Solon High School to be eligible for the Exemplary Attendance Award.**

**Rules for 18 Year Olds**

If an 18-year-old student does not wish for their school records or educational information to be released to his/her parents, they must notify the high school principal in writing. The principal will inform parents of the student’s request. The administration reserves the right to request doctor’s notes of 18-year-old students who are excusing themselves from school.

**EMANCIPATION RULES**

Requirements for admission and continued enrollment of emancipated individuals:

A. An emancipated person who is at least eighteen but under twenty-two years of age may be admitted to Solon City Schools if he or she:
   1. Lives in Solon apart from his or her parents.
   2. Supports himself or herself by his or her own labor.
3. Has not been granted a high school diploma or certificate of attendance.

B. Prior to admission, such students must:
   1. Provide documentation of residence (either a rental agreement and residency affidavit completed by the student or a residency affidavit completed by the student and a residency affidavit completed by the homeowner).
   2. Provide documentation of employment or income.

EXCUSED ABSENCE

Reasons for excused absence from school (based on Ohio attendance laws):
1. Illness (doctor’s excuse may be required in some special cases)
2. Illness in the immediate family necessitating the student’s presence (with limitations).
3. Death of a relative (maximum of three (3) days absent (Superintendent approval of longer absences for reasonable cause).
4. Quarantine of the home.
5. Observation of bona fide religious holidays.
6. Absence due to a professional appointment (note required).
7. Necessary work at home due to absence or incapacity of the parent(s)/guardian(s) as approved by the Superintendent.
8. Medically necessary leave for pregnant student.
9. Out-of-state travel to participate in District-approved enrichment or extracurricular activities (maximum of four (4) days per semester, with classroom assignments completed).
10. College Visitation - Student must bring letter from admissions office indicating date of visit for absence to be coded no deduction (NP). Maximum of three (3) school days during each of the Junior and Senior years.
11. Service as a precinct officer at a primary, special or general election.
12. Emergency and other circumstances that in the judgment of the Superintendent constitute good and sufficient cause for absence from school. (See further description of this category below. All requests require an approved absence request form).
After 65 hours of absence from school without a doctor’s note (this includes tardies, early dismissals, half and full day absence) – regardless if excused or unexcused – a doctor’s note will be required or consequences will be issued.

**TARDINESS/EARLY DISMISSAL**

**Reasons for excused tardiness to school:**
A student who is tardy to school must report directly to the attendance office. If he/she is tardy to class, he should report directly to that class. Students should be reminded that coming into class even one second late constitutes a tardy. If he/she was detained by a teacher, the student should obtain a pass from that teacher, not the office. The office will assign detention for tardiness to school and will suspend chronic offenders. The classroom teacher will assign detention for repeated tardiness to class. Excessive tardiness to class will be referred to the appropriate assistant principal.

Refer to the Discipline Code at the end of this booklet for Tardiness Consequence.

Reasons for excused tardiness/early dismissal to school *(which must be verified by a note from a parent)*:
1. Illness (with limitations, see bold print below)
2. Medical appointment
3. Driver’s license exam

**Unexcused Absences**
Any student who is absent from school for all or any part of the day without a legitimate excuse shall be considered truant and the student and his/her parents shall be subject to the truancy laws of the State. Please also refer to “Truancy” on page 8 of this handbook.

**Miscellaneous Unexcused Reasons for Absences and/or Tardiness:**

In the past students have had many excuses for being absent or tar-
In order to alleviate conflict between the students and the office, students should note that all other reasons are unexcused (based on Ohio attendance laws), including:

1. Car trouble of any kind (The Solon Board of Education provides transportation which delivers students to school on time)
2. Oversleeping
3. Missing the bus
4. Traffic jam
5. Staying out of school an unnecessary length of time because of doctor’s appointment, job interview, or driver’s license exam.
6. Registering to vote and for the draft (students can do this at school)
7. Babysitting in non-emergency situations
8. Running non-emergency errands for parents or anyone else
9. Making repairs on one’s own or anyone else’s car

(Note: The validity of any other questionable reasons for absence or tardiness not listed above will be determined by the administration according to Ohio attendance laws.)

LEAVING THE SCHOOL BUILDING

SOLON HIGH SCHOOL HAS A CLOSED CAMPUS. No student may leave the building at any time for any reason without an early dismissal slip issued by the attendance office and/or clinic. A student leaving without permission will be issued appropriate consequences.

Absences During the School Year for Emergency and Other Circumstances for Good and Sufficient Cause

Excuses in this category may include absences for court appearances, educational trips, national athletic competitions, family trips that cannot be scheduled during school breaks and other individualized situations. With all requests for planned absences for good and sufficient cause, the Superintendent will consider the extenuating circumstances or hardship involved for the student and the student’s
family, the academic or other opportunity presented by the reason for the absence, the student’s academic performance and any other information submitted.

No student absence will be approved to join another family’s trip, or to extend the dates of an official school vacation period. Student trips during the school year are not considered excused under Board policy and Ohio law unless the student obtains approval from the Superintendent that the reason for the absence constitutes good and sufficient cause for missing school.

Whenever a proposed absence for good and sufficient cause is requested, parents must discuss it with the building administrator. Parent’s must fill out the form for obtaining the Superintendent’s approval. When the request is for a family trip, the parents must explain the hardship the family faces regarding why the trip cannot be taken during the usual vacation times.

Procedure for Obtaining Approval for Planned Absences for Good and Sufficient Cause

a. Student contacts the Attendance Office in advance of planned absence to request approval of the planned absence, and to obtain a Planned Absence Form. Student and Parent complete Part I of the Planned Absence Form and submit it to the Attendance Office at least two weeks before the planned absence. The deadline may be waived in the case of a documented emergency. Once a planned absence is approved, the student must complete Part II of the planned absence form.

b. Student presents the form to each classroom teacher at least two days in advance of the last day in attendance. Teachers check appropriate responses, add comments and sign the form.

c. Student shares any teacher concerns with the parent/guardian.

d. Parent and student sign the request/agreement statement.

e. Student presents completed form to the Attendance Office at least one day before departure date.
f. All work must be made up in a manner consistent with make-up policies.
g. A student not complying with the aforementioned policies may receive failing grades for the work missed.

**Academic Make-up:**
Any student who is absent for a valid reason, and whose absence is excused, must make arrangements with his/her teacher for makeup work. Make-up work is due to the teacher as soon as possible. The **minimum number of days allowed should be equal to the number of days of absences.** Make-up work not completed in the allotted time will be graded as failing. A student who is classified as unexcused may not be given credit for work missed due to his absence. **Truant students can make up school work but not for credit.**

**Appointments:**
As a general rule, appointments are to be cleared through the attendance office before school by means of a written request from the parent to release the student from school at a specific time. **Upon return to school, students must report to the attendance office for an admit pass.** Appointments should be made outside of school hours whenever possible.

**Illness at School:**
See CLINIC (page 17)

**Continued or Prolonged Absence:**
If there is a chronic physical condition which may cause an unusual number of days/hours of absence, the parent must file a doctor’s excuse in the attendance office.

**Please Note:** Administration may require additional information including a release of records to communicate with health professionals.
**Cheating (Plagiarism)**

Definition: Plagiarism is the act of passing off as one’s own the ideas, words, images or writings of another. (TEXT refers to ideas, words, images, writings, etc.)

Acts of plagiarism/cheating include, but are not limited to the following (without acknowledgment or proper citation):
1. copying and pasting text from online media or website
2. copying text from any printed material (books, magazines, newspapers, etc.)

Possible further disciplinary action

Violation of #10 or #11 above will result in an out-of-school suspension.

Students should also be aware that a cheating/plagiarism offense may negatively affect National Honor Society consideration and participation in extra curricular activities. Any student already a member of National Honor Society may be dismissed from the organization if caught cheating/plagiarizing.

**Clinic**

Students who become ill during the day should report to the clinic as soon as possible **with a pass from their teacher**. If the student is ill enough to go home, parents will be called, and with their permission the student will be excused to go home. If the parents cannot be reached, or if the problem is temporary, the student will remain in school. **Students are not permitted to use wireless devices to contact parents. They must report to the clinic and the nurse will**
contact parents.

The school nurse is not permitted by law to provide or dispense any medication including aspirin, Tylenol, cough drops, etc. Prescription drugs may be dispensed in compliance with the District Medication Policy. If the student leaves a class under an “emergency” condition, he/she must receive a note from the nurse or the office to be admitted back to class. Students are not permitted to text or call parents to be removed from school. See cell phone policy pg. 70.

If the clinic is not open, the student is required to report to the main office. No student may leave the building or spend time in the lavatory under the guise of illness.

Clinic Hours: Monday - Friday 8 a.m. to 3 p.m.
Phone: 349-7288

Course Fees

Classes in which quantities of supplies are furnished by the school for student use require a fee. Fees will be distributed to all students by the second week of school. The fee must be paid before credit for the course can be received or a transcript mailed or printed. Late/overdue fees will prevent students from purchasing prom, homecoming and parking permits.

Course fees are listed on the student’s schedule.

Distribution of Printed Material and Circulation of Petitions

Students shall be free to distribute hand bills, leaflets, surveys and other printed material and to collect signatures on petitions concern-
ing in-school and out-of-school programs whether such materials are produced within or outside the school. The following general restrictions must be applied:

1. The time of such activity shall be limited to periods before school begins or after dismissal.

2. The place of such activity shall be the cafeteria.

3. The manner of conducting such activities shall be restricted to prevent undue levels of noise and to prohibit the use of coercion in obtaining signatures on petitions.

4. Excessive littering is considered grounds for limiting distribution of such printed material.

5. The school shall require that all printed material and petitions distributed or circulated on school property bear the name of the sponsoring organization and the name of one individual in such organization.

6. The principal must approve all printed material before it may be distributed or before petitions may be circulated.

7. In all cases of petitions, students have the right to have their petitions considered and to receive a reply from the administration.

8. All handbills, leaflets, other printed materials, petitions, etc. must not contain obscene language, libelous statements, or any wording which tends to inflame or incite students so as to create a clear and present danger of unlawful acts or of physical disruption to the orderly operation of the school.

9. Students have the right to join together within the school to produce such publications as they wish provided they have prior permission from the club advisor in charge of student activities and identify themselves in the publication. Solon High School
will prohibit permission and distribution of material when such publication would clearly and imminently endanger the health and safety of the students, might be libelous, or create a hostile environment. Consequences will be administered for violating this section of the handbook.

Driving/Parking/Transportation

BUS CONDUCT
Violation of School Bus Conduct Requirement: Students shall not act or participate in any act or acts or attempt to act or participate in any act which poses or tends to pose a danger to the safe operation of a school bus or conveyance, including, but not limited to, failing to remain seated, throwing objects at passengers, the driver or out of the windows, extending arms or objects out of the windows, and shouting other disorderly conduct which could cause physical harm, emotional stress, or diversion of the driver’s attention.

Rules
1. Be courteous, use no profane language.
2. Do not eat or drink on the bus.
3. Keep the bus clean.
4. Co-operate with the driver.
5. Do not smoke.
6. Do not damage bus or equipment.
7. Stay in your seat.
8. Keep head, hands and feet inside bus.
9. Do not fight, push or shove.

Drivers should not allow parents to board the bus for any reason without prior approval from the transportation department.

**BUS PASSES**
If a student needs to ride a bus to or from school that he/she doesn’t normally use, they must bring a note from his/her parent to the attendance secretary in the attendance office giving permission to do so. Attendance secretary will then issue a bus pass for the student to give to the bus driver.

**STUDENT PARKING — DRIVING**
All student drivers **must** register their vehicles and secure a parking permit through the online registration process. Regulations and use of the student parking privilege are stated on the application. A permit may be issued upon the satisfactory completion of the application, which includes watching a video about Graduated Driver’s License Law. Students may not share their permit with any other student during the year. Only registered permit holder may use his/her own permit.

Students are not permitted in their cars during any part of the school day with the exception of those students who are released early for work, either through the office or because of their involvement in one of the school’s work-study programs. Student vehicles illegally parked on school premises may be warned, immobilized, and/or towed at the expense of the student.

Students who violate the privilege of driving to school and using school parking facilities may have their permit revoked. This may include violations in which the student uses the vehicle to cut out of classes and study halls, to leave school property or engages in any activity in the vehicle which is against school policy.

**PARKING RULES AND REGULATIONS**

| ALL STUDENTS MUST PARK WITHIN THE AREAS DESIGNATED FOR STUDENT PARKING (yellow lines) |  

21
1. All cars parked on school property **MUST** be registered. Solon High School is **NOT** responsible or liable for damage to student vehicles. **PARK AT YOUR OWN RISK.**

2. **Cars without a parking permit visibly displayed and/or illegally parked cars may be immobilized/towed at student’s expense (removal of the immobilization device is a minimum of $50).**

3. Legally registered students who drive a different car to school for the day MUST move their parking permit to their alternate car and have it displayed. This alternate car must be registered in the main office.

4. Students are **NOT** permitted to share their permits with other students.

5. Permit can only be used in the car that is registered with the High school.

6. Students are **NOT** permitted in cars during school hours.

7. Reckless driving, speeding, squealing of tires, etc. are grounds for loss of driving privileges.

8. Drivers must be licensed and insured.

9. Student vehicles may be subject to search if there are grounds to believe that drugs, stolen property or other illegal items and contraband might be in the vehicle.

10. **PARKING ON SCHOOL PROPERTY IS A PRIVILEGE.** Parking regulations will be **strictly** enforced. The privilege to park can be lost under the following conditions:
   - After 65 hours of absence from school without a doctor’s note (this includes tardies, early dismissals, half and full day absence) – regardless if excused or unexcused – the student’s parking permit will be revoked and parking privileges will be lost for the remainder of the year.

11. Reserved and teacher areas are marked in **red.** Students may not park in these areas. Students may only park in the spaces marked in **yellow.**
12. Students may park in handicapped spaces only if they have a state-issued handicapped permit.

13. **PERMITS MUST BE HUNG ON REARVIEW MIRROR.** Parking permits may not be used, sold or transferred to another student – violation will result in loss of parking privilege and may include school disciplinary consequences.

14. If you lose your permit, you must purchase a replacement at full price immediately.

15. If your permit is revoked for any reason, no refunds will be given.

16. If a student with a registered parking permit does not have their pass displayed for any reason, they must sign into the daily parking change booklet located in the main office before 7:50 a.m.

Consequences for Violation of Student Parking:

1. 1st offense: Warning
2. 2nd offense: Pass revoked for two weeks
3. 3rd offense: Pass revoked for the remainder of year. (This does not apply to #10.)

**IMMOBILIZATION/TOWING OF A VEHICLE AND/OR DISCIPLINARY CONSEQUENCES (INCLUDING OUT-OF-SCHOOL SUSPENSION) MAY TRANSPRIRE IF VIOLATIONS OF THE ABOVE RULES OCCUR.**

### Emergency Contact Information

The school uses an online system called InfoSnap to update important student emergency contact information and parent notifications. All students must have all necessary information completed in InfoSnap at the beginning of the school year. Students will need at least two emergency contacts in addition to parents or guardians. These individuals are the only adults students would be released to for rides home or in case of illness or an emergency situation. All information must
be entered online through InfoSnap. If you do not have computer or Internet access at home, computers are available at the Solon Public Library. If you have difficulty, please contact the main office so we can be sure your child’s information is up to date.

Cafeteria/Lunch Information

Solon High School provides a full service cafeteria, equipped with a restaurant kitchen and staffed by full-time professional personnel. All state and local licenses and regulations governing preparation, food service and sanitation are in effect.

For purposes of sanitation and pest control, the cafeteria is the only designated dining area. **All lunches/snacks must be consumed in the cafeteria or Senior Commons. Students are required to remain in the cafeteria area during their assigned lunch.**

Free and reduced priced lunch meals will be provided to students who meet the federally established guidelines. Applications and qualifications are available online and at the Solon City Schools central office.

The Solon City School District uses a computerized point of sale system to enhance the cafeteria’s service. This system eliminates meal tickets and increases the speed and accuracy of the food lines. Each student will use his or her 6-digit personal ID number to enter onto the computer pin-pad. As the account is accessed, the student’s name, photo, account status, and any food allergies will appear on the screen to prevent fraudulent use. The cashier then keys in the purchases made by the student and the amount is debited from their account. This system ensures total confidentiality of all students including those on a free or reduced plan.

The cash-less system results in more efficiency and quicker service for
students, so we encourage parents to pre-pay for meals (cash only). We offer EZpay, an online pre-pay site. EZpay accepts VISA, MasterCard and Discover card. Money not used will carry over to the following year. To access EZpay go to the parents tab on the Solon Schools web site (http://www.solonschools.org)

Parents will receive a notification when a student’s account is low.

**School Counselors**

Counseling services are available to students in grades 9-12. Counselors are available to help students with their personal, social, academic and career interests.

Students are assigned to their counselor according to their last name. Counselors work with entire families and apply a holistic approach to counseling.

Grades and Grade Reports

A. Grades

1. Student report cards are posted each nine weeks, and will reflect the record of achievement for the student during that nine weeks period of time only. Grades will represent sufficient assigned work as a realistic evaluation for pupil progress.

2. Class of 2020:
The nine weeks grade will be expressed in terms of a letter grade (regardless of the percentage value) for the purpose of figuring and reporting a semester or yearly grade.
Class of 2021, 2022 & 2023:
The nine weeks grade will be expressed by percentage for the purpose of figuring and reporting a semester or yearly grade. A grade corresponding to the percentage will appear on the grade card and transcript. The percentage will be reflected as a whole number, no decimals will be used, and we will not round.

3. In a year-long class each quarter will be worth 23% of the final grade and the mid-term exam will be worth 8% of the final grade. In a semester class each quarter will be worth 50% of the final grade. For the Class of 2021 and beyond ONLY – student grades will be figured using an average of the quarter and mid-term exam percentages. Please see examples below for greater definition.

SHS Grading Scale:

A = 90 – 100%   B = 80 – 89%   C = 70 – 79%   D = 60 – 69%   F = 59% and below

**Online Grade Book** – This software technology allows both parents and students to access your student’s information (via any Internet access at work or at home) reported directly from teachers’ records.

All students receive a unique ID number and PIN code for accessing their current classroom information.

To access PowerSchool, go to our school web site at http://www.solonschools.org/shs and click on the PowerSchool Gradebook Login under “Quick Links.” Follow the instructions on the screen.

- The grades given in the reports may not reflect all corrected assignments, as they may not have yet been entered in the gradebook.

Please realize that it takes time for the teacher to input grades into their gradebooks.

**Hallway Traffic**

Students **must** have a pass to be in the halls during class time. Hall passes will only be issued for emergency situations.
Interrogation of Students

The school is committed to protecting students from harm that may be connected with the school environment and also recognizes its responsibility to cooperate with law enforcement and public child welfare agencies. While the school believes these agencies should conduct their investigations off school property if possible, investigations can take place at school in emergency situations or if the violation being investigated occurred on school property.

Before students are questioned as witnesses or suspects in an alleged criminal violation, the building administrator will attempt to contact a parent prior to questioning and shall remain in the room during questioning.

If a student is questioned as the subject of alleged child abuse or neglect, the building administrator will attempt to contact a parent prior to questioning, and she/he (or a designated guidance counselor) will remain in the room during questioning. If the agency investigating the alleged child abuse or neglect suspects the parent is the perpetrator, neither parent will be contacted prior to questioning, but the building administrator (or a designated guidance counselor) will remain in the room during questioning.

If law enforcement or children’s services agency removes a student from school, the building administrator will notify a parent.

Lost and Found

Lost and found articles are kept in the main office, boys’ and girls’ PE locker room and weight room. Many items accumulate through the year and remain unclaimed. These items will be donated on a weekly basis. It is the student’s responsibility to report to the office any item that is lost or stolen.
Media Center

Hours: 7:30 a.m. - 3:30 p.m. School Days

Media Center Access

Your student ID card admits you to the Media Center and allows you to check materials out of the Media Center. Please carry this card at all times.

During periods 1 / 2 / 3 / 6 / 7 you will receive access to Labs through your study hall. Report to your study hall with your ID card during the change of classes.

During period 4a / 4b / 4c / 5a / 5b you must obtain a two-part lab pass from one of your subject teachers indicating what lab you need to attend. Report with this lab pass and your ID card to your study hall first before coming to the Media Center. ID replacement cost is $5, if lost or stolen.

Searches & Security

SEARCH AND SEIZURE

To maintain a safe, secure, and drug-free environment at Solon High School, authorities are authorized to search a student or his/her property (including vehicles, purses, book bags, gym bags, etc.) with or without the student’s consent, whenever the school authorities reasonably suspect that a search will lead to the discovery of evidence of a violation of law or school rules. The extent of the search will be governed by the seriousness of the alleged infraction.

Student lockers are property of the school and students have no reasonable expectation of privacy in their contents or in the contents of any other school property including desks or other school containers.
School authorities may conduct random searches of the lockers and their contents at any time without announcement.

The school may use at its discretion unannounced and random canine (Police Dogs) searches of school property including the parking lot and student cars to insure the safety, order and discipline of the school.

Anything that is found in the course of a search that may be used as evidence of a violation of school rules or the law can be taken, held or turned over to the police. The school reserves the right to not return any confiscated items.

Students have no reasonable expectation of privacy in their actions in public areas including but not limited to, common areas, hallways, cafeterias, classrooms and gymnasiums. The school may use video cameras in such areas and on all school vehicles transporting students to and from regular and extracurricular activities.

**DROPPING OFF ITEMS AT SECURITY DESK**

- Parents will be allowed to drop-off academic items ONLY during the day until 10:30 a.m. This will be limited to book bags, written assignments, glasses, textbooks and Chromebooks. **NO FOOD WILL BE ACCEPTED.**
- We will not call students down to collect the items, it will be their responsibility to stop by the main office security station to pick-up the items. In addition, we will not take responsibility for items left at the security desk.
Senior Privileges

EARLY DISMISSAL/LATE ARRIVAL

Having successfully attained Senior status may allow seniors with study hall 1\textsuperscript{st} or 7\textsuperscript{th} period the option of late arrival or early dismissal. Students with 7\textsuperscript{th} period option must leave the building within a reasonable time or they will be assigned a study hall. Students with 1\textsuperscript{st} period option must sign in at the Commons before 8:40 a.m. A senior who drops a class will not be eligible for late arrival or early dismissal if that dropped course falls in periods 1 or 7.

PARTICIPATION IN GRADUATION CEREMONY

Any major infraction of the student code of conduct during your senior year may result in the loss of privilege to participate in the senior graduation ceremony.

SENIOR COMMONS AREA

The Commons area will be reserved for seniors as a privilege instead of reporting to study hall. The Administration evaluates periodically and reserves the option of removing the privilege at any time. The following regulations will apply to seniors to determine their use of Commons:

1. Since Senior Commons is a privilege, students may be removed and lose their privilege for violations of school rules.
2. Seniors who receive an “F” for a marking period will be removed from the Commons and placed in a study hall for the following nine week grading period.
3. Students must report and sign in to the Commons for attendance purposes.
4. Once a student is admitted to Senior Commons, he/she is expected to remain in that area throughout the period unless proper procedures are followed to be excused to the media center-labs.
5. The principal and assistant principals shall have discretionary
powers regarding the eligibility status of seniors in the Commons.
6. Snacks and beverages are permitted to be consumed in the com-
mons as long as trash is disposed of properly.

Consequences for not signing in to Senior Commons:
1st Offense: One Detention
2nd Offense: Two Detentions
3rd Offense: Three Detentions
4th Offense or more: Loss of privilege - assigned to underclassmen
study hall

SENIOR PROJECT

This program gives seniors the opportunity to provide students with
real-life experiences in their career choices. For about two weeks in
May, a participating senior will “shadow” a mentor in a field in which
the student has shown interest. During this time, the student will gain
an understanding of the practical nature of the professional world – an
experience that will provide the necessary drive to succeed in college.
Seniors will have to meet certain requirements regarding grade point
average, attendance and discipline. Details regarding these require-
ments will be announced to the senior class at a meeting in the fall.
Solon High School can provide a list of possible on-site sponsors;
however, students need to find their own placement. Students will
be required to write a daily journal entry and essay paper and will
make a short presentation on the project experience. The last day of
school for seniors who participate is in early May. Students who fail
to meet all requirements and deadlines of Senior Project may lose the
privilege of participating in the graduation ceremony.

**ELIGIBILITY RULE-ATHLETICS AND CHEERLEADERS**

Please see Student/Parent Athletic Handbook for information on this topic.

**EXTRACURRICULAR PARTICIPATION**

Extracurricular activities are an important part of the student experience in and character of the Solon Schools. Interscholastic athletic teams and activities, musical groups, drama clubs and many other valued extracurricular activities provide a wealth of opportunities for Solon students.

Student participation in extracurricular activities is optional, and is a privilege, not a right. For some activities participation is competitive.
and a student must try out to participate. Many of the extracurricular activities have their own codes of conduct or academic achievement prerequisites. Participation in interscholastic athletics sanctioned by the Ohio High School Athletic Association (OHSAA) is always governed by OHSAA rules.

Students may be removed from an extracurricular activity on either a temporary or permanent basis for: 1) violation of the rules in place for that particular extracurricular activity, 2) failure to meet academic achievement prerequisites, or 3) behavior that is considered by the advisor or coach to be disruptive. Removal from extracurricular activities, when not accompanied by a suspension or expulsion from school, is not subject to the same procedural requirements as discipline from curricular programs.

The prohibitions in the Student Code of Conduct apply during all extracurricular activities, and disciplinary consequences, including suspension or expulsion from school, may be imposed for a violation of the Student Code of Conduct that occurs during an extracurricular activity. Additionally, during the time period of any suspension or expulsion from school, a student is prohibited from participating in any extracurricular activity.

**Student ID Cards**

ID cards are used for admission to the LMC, as hall ID, and other school functions including dances. **ID cards must be carried at all times.**

Student ID cards include a student picture, student name, student number, and a special bar code.

ID cards are issued shortly after school pictures are taken. Lost or defective ID cards can be replaced in the LMC for a charge of five dollars ($5.00).

**Student Fund-Raising**

Students participating in school-sponsored groups and activities may
solicit funds from other students, staff members and members of the community in accordance with school guidelines. The following general rules apply to all fund-raisers:
• All fund-raisers must be approved by high school administration and placed on master calendar of events.
• Students involved in the fund-raiser must not interfere with students participating in other activities when soliciting funds.
• Students may not participate in fund-raising activities off school property without proper supervision by approved staff or other adults.
• Students may not engage in house-to-house canvassing for any fund-raising activity.
• Students may not participate in a fund-raising activity conducted by a parent group, booster club or community organization on school property without the approval of the Principal.

Students may not sell any item or service in school without the prior approval of the Principal. Violation of this policy may lead to disciplinary action.

Student Valuables

Students should not bring items of value to school. Items such as jewelry, expensive clothing, electronic equipment, and the like, are tempting targets for theft and extortion. The school is not liable for any loss or damage to personal valuables. Students are expected to make sure all belongings are locked and secured with school issued locks.

Student Records

In order to provide students with appropriate instruction and educational services, it is necessary for the District to maintain extensive
educational and personal information. It is essential that pertinent information in these records be readily available to appropriate school personnel, be accessible to the student’s parent(s) or legal guardian(s) or the student in accordance with law, yet be guarded as confidential information.

The Superintendent is responsible for the proper administration of student records in keeping with State law and federal requirements and the procedures for the collection of necessary information about individual students throughout the District.

Upon request, all records and files included in the student’s cumulative folder will be available to parents, guardians or the student, if over 18 years of age. This request must be in writing and will be granted within seven calendar days. No records are to be removed from the school and a principal, teacher or other qualified school personnel must be present to explain any of the tests or other material.

All rights and protections given to parents under law and this policy transfer to the student when he/she reaches age 18 or enrolls in a post-secondary school. The student then becomes an “eligible student.” The District will provide notice to parent(s)/guardian(s) and eligible students annually, in accordance with the procedures set forth under administrative regulations, of the following rights held by parents and eligible students under law and this policy:

1. The right to inspect and review the student’s education records.
2. The intent of the District to limit the disclosure of information contained in the student’s education records except;
   A. by prior written consent;
   B. as directory information and
   C. under other limited circumstances, as enumerated under administrative regulations.
3. The right, in accordance with administrative regulations, to seek to correct parts of the student’s education record, including the right to a hearing if the District decides not to alter the record according to the parent or eligible student’s request.
4. The right of any person to file a complaint with the U.S. Department of Education if the District violates relevant Federal law, specifically the Federal Educational Rights and Privacy Act (FERPA).

5. The procedure which the parent/guardian or eligible student should follow to obtain copies of this policy, the locations from which these copies may be obtained, as well as any fees to be charged for copies.

6. All IEPs, MFEs and 504 plans, as well as any and all student records related to IEPs, MFEs and 504 plans, will be destroyed two years after the student graduates and/or leaves Solon CSD, with the exception of the most recent copies which will be kept permanently by Solon CSD. IF the student/family would like a copy of these records prior to being destroyed, the student/family must notify the Director of Special Education in writing within two years after the student has graduated from Solon CSD or left Solon CSD.

The District designates the following personally identifiable information contained in a student’s education record as “directory information,” and it will disclose that information without prior written consent, except where the request is for a profit-making plan or activity.

1. Student’s name
2. Student’s address
3. Student’s date of birth
4. Student’s extracurricular participation
5. Student’s achievement awards or honors
6. Student’s weight and height, if a member of an athletic team.

Administrative regulations will set forth a procedure for annual notification to parent(s)/guardian(s) and eligible students of the District’s definition of directory information. Parent(s)/guardian(s) or eligible students will then have two weeks to advise the District, in accordance with such regulations, of any or all items which they refuse to permit the District to designate as directory information about that student.
To carry out their responsibilities, school officials will have access to student education records for legitimate education purposes. The District will use the criteria set forth under administrative regulations to determine who are “school officials” and what constitute “legitimate educational interests.”

Other than requests as described above, the District will release information from or permit access to a student’s education record only with a parent or eligible student’s prior written consent, except that the school Superintendent or a person designated in writing by the Superintendent may permit disclosure in certain limited circumstances outlined under administrative regulations (e.g., transfers to another school district, to comply with judicial order or subpoena, where warranted in a health or safety emergency, etc.).

The District will maintain, in accordance with administrative regulations, an accurate record of all requests to disclose information from or to permit access to a student’s education record and of information disclosed and access permitted.

**Noncustodial Parents**

The Board believes it is appropriate to afford noncustodial parents* the opportunity to be informed and to participate in the education of their children on the same basis as any parent. Access to records shall be in accordance with the Family Educational Rights and Privacy Act of 1974. Upon request, noncustodial parents shall be entitled to exercise all parental rights to the extent that such rights are not restricted by a legally binding instrument or court order. Action shall be taken to inform noncustodial parents of their rights and to assist them in the exercise of these rights.

* A noncustodial parent is the parent who does not have custody of the child, but has the right to information about the child’s education.
Student Lockers and Assignment

Lockers are located throughout the building and are assigned to students during the first week of school. New enrollees during the school year are assigned their lockers via the attendance office.

Locks for all student lockers (physical education and school) must be purchased through the SHS Bookstore to ensure all locks are uniform and to allow access by school administrators in case of emergency. Any lock NOT purchased through the SHS Bookstore will be cut off.

Due to extensive building usage, students are strongly urged to use locks on their lockers. Lockers are to be locked! (Sharing a locker is prohibited). The school cannot be held responsible for lost or stolen articles.

If an unauthorized lock is found on a locker, the student should report it immediately to the assistant principal who will have it removed providing the locker is the student’s assigned locker.

Students are responsible for keeping their lockers clean and orderly. No food should be kept in lockers overnight. This is a health department order.

Lockers for individual classes such as physical education or industrial technology are assigned by the class teacher. Students are expected to comply with the classroom teacher’s directive on locker use.
Student Rights, Responsibilities and Discipline

I. INTRODUCTION
The primary goals of the Solon City Schools are to develop each child’s potential for learning and to foster positive interpersonal relationships. Essential to the achievement of these goals is reasonable and necessary order in the educational institution itself. No institution or organization can endure or operate effectively without some form of control over the people it serves, be it home, church, school, or government. All parties participating in the school community must share the responsibility for maintaining this control.

The Solon Board of Education believes that good discipline is best thought of as being positive, not negative; of helping a student to adjust, rather than as punishment; of turning unacceptable conduct into acceptable conduct. It is important that each individual assume responsibility for his/her own action in accordance with socially acceptable conduct and the rules, regulations, and policies of the school setting. Behaviors exhibited must be within the bounds of law and order and must respect the rights of others as individuals.

Parents or guardians have the primary responsibility for establishing and maintaining positive discipline with their children. While students are in school, however, members of the school staff must act in the place of parents in maintaining discipline. Members of the school staff are expected to make every effort to correct and effectively resolve disciplinary problems that occur within their range of responsibilities. Therefore, they shall have the authority necessary to maintain a proper learning climate using reasonable enforcement to prevent and stop any act of interference with the scholarly, disciplined atmosphere of the school. They may call upon other school personnel to help in discharging their responsibilities. Teachers may refer students to the building administrator who is then responsible for determining the necessity for, and the nature of, further disciplinary action.
Since the school and the home share responsibility for educating and disciplining students, it is important that they work closely together. The school staff has the obligation to be fair, honest, reasonable, and consistent in their dealings with students. The parents have the obligation to be cooperative, reasonable, and honest in working with school personnel. Only by developing a climate of mutual trust and respect can the school and the home work effectively together toward the best interest of the child.

II. STUDENT’S RIGHTS AND RESPONSIBILITIES

Students share with members of the professional staff the responsibility for maintaining a proper environment for learning within each school. This environment can best be achieved by all parties working together. Students are entitled to know the framework of procedures within which they are expected to assume personal responsibility for their actions and to know the disciplinary measures to be taken when they fail to show this personal responsibility.

Basic Student Responsibilities
1. Be in school on time.
2. Attend all classes.
3. Bring necessary material for class
4. Be a positive contributing member of the student body.

III. SCHOOL DISCIPLINE

The maintenance of school discipline and proper behavior is essential to the establishment of a proper learning environment. Students have a responsibility to cooperate with and to assist the school staff in the orderly and efficient conduct of the schools. Students are also responsible for abiding by the rules and regulations established by the Solon Board of Education and implemented by school administrators.
A breach of discipline is any conduct of pupils which interferes with the maintenance of a proper learning environment. Acts of behavior which tend to conflict with the educational program or which are antagonistic to the welfare of other students, the staff, and/or Solon City Schools cannot be tolerated. Student lockers and desks are school property and, as such, may be subject to periodic inspections. In addition, parking on school property is a privilege not a right and cars parked on school property are subject to routine patrols by school officials, and cars may be searched when reasonable suspicion is determined. Reasonable suspicion exists when a school official is informed by a fairly credible source the car may contain evidence of violation of school policy or observes objectively suspicious behavior. Any car parked on school property in which evidence of violation of school policy is in plain view may be searched.

The procedures and other elements of the following discipline policy set forth general guidelines for all schools. However, there is a recognized distinction between students of differing ages and maturity, and it is reasonable to expect that, at times, resorting to the more formal steps of denying educational participation will be tempered by reference to such distinction.

Disciplinary action is determined based primarily on the type of offense committed. Other factors such as the frequency of an offense as well as the child’s age are considered. Although the disciplinary actions listed below reflect a progressive disciplinary process, all steps may not be considered or appropriate in a given case. **Offenses of a repetitive or more serious nature may result in discipline commensurate with the seriousness of the offense and may justify suspension and/or expulsion without reference to previous reprimands.**

1. Verbal warning
2. Parent notification
3. Detention
4. Removal of privileges
5. Parent conference
6. Saturday School
7. Community Service
8. Disciplinary removal
9. Emergency removal
10. Out-of-School Suspension
11. Juvenile court referral
12. Expulsion
13. Exclusion

[Please note: The Common Application, Coalition Application and certain universities are now asking for information regarding student suspensions and expulsions. When asked this question, the Solon City Schools may be releasing this information.]

**Disciplinary Referrals**

Disciplinary Referrals are communications between teachers, the assistant principal and parents concerning discipline problems. Any question concerning Discipline Referrals should be directed to the referring teacher and/or the assistant principal.

**A. DEFINITIONS**

The following provides a definition for each of the disciplinary actions listed above.

1. Verbal warning
   A warning to a student that his/her conduct is in violation of school rules. It may be issued by any authorized school official including teaching or non-teaching personnel.

2. Parent notification
   Direct contact by telephone or letter with a parent or legal guardian of a student to inform them that their child’s conduct was in direct violation of school rules.

3. Detention
   The assignment of a student to spend time in addition to regular
school time for violation of school rules.

Detentions are of two types — teacher detentions and office detentions.

Teacher detentions are usually given for some infraction of a teacher rule in the classroom (disturbing others, talking out of turn, late to class, etc.). Teacher detentions are to be served with the teacher involved within a reasonable amount of time. Refusal to serve the teacher detention will result in referral to the appropriate assistant principal for further disciplinary action.

Office detentions are given for some violation of school rules. The following regulations apply for serving of office detentions.

1. Student will be served notice of an office detention through the assistant principal’s office.
2. **Students are required to serve their detentions as assigned.**
3. Detentions may be served in the morning or in the afternoon. Morning detentions begin at 7:15 a.m. in cafeteria. They end at 7:45 a.m. and are held every day. Afternoon detentions will be held in Room 106 from 3:05 p.m. to 3:35 p.m. If you are late, you will **not** be admitted.
4. No talking is permitted.
5. Student must have something to study.
6. If students are removed from the detention room for violating rules, the time served does not count.
7. Additional consequences for not serving detentions will be assigned.

4. Removal of privileges
   The denial of special privileges for violation of school rules.

5. Parent conference
   A meeting with a parent(s) or legal guardian(s) to discuss specific violations of school rules and the impending action school officials
may take.

6. Saturday School
A discipline procedure by which a student is required to attend a Saturday detention from 8 a.m. to 10 a.m. or 8 a.m. to noon.

7. Community Service
Community Service is an alternative to a more severe form of administrative action (i.e. suspension from school). Community Service will consist of students working with members of the custodial staff and/or buildings and grounds crew to perform a variety of duties around the school building. Students are required to comply with the Code of Conduct while completing their community service hours. NO electronic devices are permitted.

8. Disciplinary removal
The removal of a student from a class or from participation in an extra-curricular activity for less than twenty-four hours. During the disciplinary removal period a student will not be permitted to take part in any school function or activity. In addition a student will not receive credit for class work during disciplinary removal.

9. Emergency removal
The removal of a student whose presence poses a continuing danger to persons or property or an on-going threat of disrupting the curricular or extra-curricular school activities, for a period not less than twenty-four (24) hours but not to exceed seventy-two (72) hours. During the period of emergency removal, a student will not be permitted to take part in any school function or activity. In addition a student will not receive credit for class work during this period of emergency removal.

10. Out-of-School Suspension
The removal of a student from school for at least one (1) but not more than ten (10) days. During the period of suspension a student will not be permitted to attend any school function or
activity. In addition, a student will not receive credit for class work during a period of suspension. Students suspended out of school will be permitted to receive credit for tests and major projects. However, students will not receive credit for class work during a period of suspension.

If at the time an Out-of-School Suspension is imposed there are fewer than ten (10) school days remaining in the school year in which the incident that gives rise to the suspension takes place, community service and other consequences will be applied.

11. Juvenile Court
Referral by a school administrator to juvenile authorities for conduct which is not only in violation of school rules but also the law.

12. Expulsion
The removal of a student from school for a period not to exceed 80 school days. The length of an expulsion may be up to one full year for violating district policy regarding firearms, knives, bomb threats and offenses that are criminal when committed by an adult and cause serious physical harm to persons or property, all in accordance with Board Policies 5610 and 5772. Expulsions may extend beyond semesters and school years. During the period of expulsion a student will not be permitted to take part in any school function or activity. In addition a student will not receive credit for class work during the period of expulsion.

13. Exclusion
When recommendation for expulsion is made, the school will jointly file unruly charges with juvenile court. Permanent exclusion may occur in accordance with Board Policy 5610.01 when a student sixteen years of age or older is convicted or adjudicated delinquent for certain criminal offenses.
B. PROCEDURE

Disciplinary action such as verbal warning, parent notification, detention, removal of privileges, parent conference, disciplinary removal, and referral to juvenile court do not require special procedures before being implemented.

In the case of Saturday School, Community Service, emergency removal, suspension, and expulsion, the following procedures will be used:

Saturday School

Before a student is assigned to Saturday School, the student shall be given written notice of the intention to impose a Saturday School assignment and the reasons for the intended Saturday School assignment. Parents will be notified when a student is assigned to Saturday School.

When Saturday School is offered, it is offered as an alternative to Out-of-School Suspension. Students who are assigned Saturday School must comply with the guidelines below or face Community Service or Out-of-School Suspension.

Saturday School Student Responsibilities

Placement of a student in the Saturday School will be at the discretion of a building administrator. The Saturday alternative to suspension will not be offered for all violations of the Code of Conduct, and offering it is in an administrator’s discretion. Typically, it is not offered for conduct that involves antisocial or criminal behavior, threats to teachers, fighting, or other disruption of school. This placement should be viewed as a privilege not a right and as such should be approached as a positive educational experience. The intent is to provide students with an alternative to a school suspension with a provision for additional academic assistance to improve study skills.
and scholastic success. The student is responsible to gather appropriate study materials to be used on Saturday.

1. Saturday School is in session from 8-10 a.m. or 8 a.m.-Noon. Students may be assigned a 2 or 4 hour session. Students will **not** be admitted to the school if they arrive after 8 a.m. and may be subjected to further disciplinary action. Students are to use the athletic parking lot only and enter the building through the athletic doors. Doors will be opened at 7:45 a.m. and close at 8 a.m. Saturday school will be held in Room 100 and/or 101.

2. Students are required to bring their own study material including school related books, paper, pens, pencils, etc. There should be enough materials to last four hours. Lockers are off limits and access to other areas of the building will not be permitted. Students are expected to use this time for the completion of assigned schoolwork. Activities such as talking without permission, sleeping, or appearing to be asleep are not permitted.

3. Students are required to wear appropriate school clothes. Students inappropriately dressed will be sent home.

4. Students are not permitted to bring such items as food, beverages, audio or visual equipment like radios, tape recorders or TV’s, playing cards or any materials that are disruptive to the educational environment.

5. Students attending Saturday School are subject to all regulations described in the Code of Conduct: Students Rights, Responsibilities, and Discipline.

6. In the event of an emergency that causes a student to miss Saturday School, a parent/guardian **MUST** leave a message on the appropriate assistant principal’s voice mail before school Monday. (Mr. Frazier - 7259; Mrs. Rodenbucher - 6240)

7. Failure to attend Saturday School will result in Community
Service. Multiple offenses will result in a two or more day Out-of-School Suspension.

**Community Service**

Before a student is assigned to Community Service, the student shall be given written notice of the intention to impose Community Service and the reasons for the intended Community Service. Parents will be notified when a student is assigned to Community Service. When Community Service is offered, it is offered as an alternative to Out-of-School Suspension. Students who are assigned Community Service must comply with the guidelines below or face Out-of-School Suspension.

**Community Service Student Responsibilities**

Assignment of Community Service will be at the discretion of a building administrator. The Community Service alternative to suspension will not be offered for all violations of the Code of Conduct, and offering it is at an administrator’s discretion. Typically, it is not offered for conduct that involves antisocial or criminal behavior, threats to teachers, fighting, or other disruption of school.

1. Community Service will consist of students working with members of the custodial staff and/or buildings and grounds crew to perform a variety of duties around the school building.

2. Students are required to wear appropriate school clothes. Students inappropriately dressed will be sent home.

3. **NO Electronic Devices** are permitted.

4. Students participating in Community Service are subject to all regulations described in the Code of Conduct: Student Rights, Responsibilities, and Discipline.
5. In the event of an emergency that causes a student to miss Community Service, a parent/guardian MUST contact the appropriate assistant principal’s prior to the start of Community Service. (Mr. Frazier - 7259; Mrs. Rodenbucher - 6240)

6. Failure to attend/complete Community Service will result in Out-of-School-Suspension.

Emergency Removals

When circumstances are such that a student’s continuing presence is reasonably certain to pose a continuing danger to persons or property or an ongoing threat of disrupting curricular activities or from the school premises, the superintendent, principal, or assistant principal may remove a student from curricular activities, or from the school premises without complying with the notice and hearing requirements required prior to suspension or expulsion.

In like circumstances, a teacher or supervising adult may remove a pupil from curricular activities or school premises for other activities under his/her supervision, without complying with the notice and hearing requirements required prior to suspension or expulsion. As soon as practicable after making such removal, the teacher shall submit reasons, in writing, for such removal to the principal.

If a student is removed under emergency removal, written notice of the reason(s) for the removal and written notice of the hearing to be held regarding the removal shall be given to the student as soon as practicable prior to the hearing. Parents will be notified when a student is removed under this section.

The hearing shall be held in accordance with the procedure set forth under the suspension procedure, unless it is probable that the student may be subject to expulsion. In that event, the hearings shall be held in accordance with the procedure set forth under the expulsion procedure except that the hearing shall be held within three (3) school
days of the initial removal. The individual who ordered, caused, or requested the student’s removal under this Article shall be present at the hearing.

If the superintendent or the principal reinstates a student in a curricular or extra-curricular activity under the teacher’s supervision prior to the hearing following a removal under this Article, the teacher shall, upon request, be given the reasons for such reinstatement in writing.

Out-of-School Suspension

When the alleged misconduct becomes known, the student shall be given written notice of the intention of suspension and the reasons for such action by the superintendent, principal, assistant principal or other administrator. The student will be given an opportunity to appear at an informal hearing before the principal, assistant principal, superintendent or superintendent’s designee and challenge the reasons for the suspension or otherwise explain his/her actions.

Within one (1) school day after the time of a student’s suspension, the superintendent or principal shall send written notice of the suspension to the student’s parent, guardian, or custodian and the Treasurer of the Board of Education. The notice shall include the duration of the suspension and the reasons therefore. It also shall include notification of the right of the student or his/her parent, guardian, or custodian to appeal the suspension to the Board of Education or its designee by notifying the Board’s Treasurer within fourteen (14) calendar days of the suspension, to be represented in the appeal proceeding, to be granted a hearing before the Board or its designee in order to be heard against the suspension, and to request such hearing be held in executive session. The Board or its designee, however, shall act upon a suspension only at a public meeting.

The Board, by majority vote of its full membership, or by the action of its designee, may affirm the suspension or may reinstate the affected student or may otherwise reverse, vacate or modify the order
of suspension.

The Board or its designee shall keep a verbatim record of all hearings under this Article. Decisions of the Board or its designee may be appealed to Common Pleas Court under Chapter 2506 of the Ohio Revised Code.

**Expulsion**

Prior to any expulsion, the superintendent shall give the student and his/her parent, guardian, custodian, or representative written notice of the intention of expulsion.

The notice shall include the reasons for the intended expulsion, notification of the opportunity of the student, and his/her parent, guardian, custodian, or representative to appear before the superintendent or his/her designee to challenge the reasons for the intended expulsion or otherwise to explain the student’s actions, and notification of the time and place to appear. The time to appear shall not be earlier than three (3) nor later than five (5) school days after the notice is given, unless the superintendent grants an extension of time at the request of the student or his/her parent, guardian, custodian, or representative. If an extension of time is granted, the superintendent shall notify the student and his/her parent, guardian, custodian or representative of the new time and place to appear.

Within one school day after the time of any expulsion, the superintendent shall send written notice to the student and his/her parent guardian, or custodian and the Treasurer of the Board of Education. The notice shall include the duration of the expulsion and the reasons therefore. It also shall include notification of the right of the student or his/her parent, guardian, or custodian to appeal the expulsion to the Board of Education or to its designee by notifying the Board’s Treasurer within fourteen (14) calendar days of the expulsion, to be represented in the appeal proceeding, to be granted a hearing before the Board or its designee, and to request that such hearing be held in executive session. The Board or its designee, however, shall act
upon an expulsion only at a public meeting. If the expulsion is for more than twenty (20) days, or will extend into the next semester or school year, the notice must also contain information on services or programs that work toward improving the student’s attitudes and behavior.

The Board, by a majority vote of its full membership, or by the action of its designee, may affirm the expulsion or may reinstate the affected student or may otherwise reverse, vacate or modify the order of expulsion.

The Board or its designee shall keep a verbatim record of all hearings under this Article. Decisions of the Board or its designee may be appealed to Common Pleas Court under Chapter 2506 of the Ohio Revised Code.

Permanent Exclusion

State law provides for the permanent exclusion of a student, sixteen (16) years of age or older who engages in certain criminal activity.

Permanently excluded students may never be permitted to return to school anywhere in the State of Ohio. A permanent exclusion may be considered if the student is convicted or adjudicated delinquent for committing one (1) or more of the following crimes while on the property of any Ohio school or at any school activity:

A. carrying a concealed weapon or conveying or possessing deadly weapons;
B. possessing, selling or offering to sell controlled substance;
C. rape, gross sexual imposition or felonious sexual penetration;
D. murder, aggravated murder on school property or at a school function.

Complicity to commit any of the offenses described above may also result in permanent exclusion, regardless of the location where that complicity occurs.
IV. TIMES/PLACES

Unless otherwise noted in the individual section, this code shall be applicable to any conduct: on school grounds, during and immediately before or after school hours; on school grounds at any other time when the school is being used by a group; off school grounds at a school sponsored activity, function or event; on a school bus or conveyance; or at any other time when the student is subject to the authority of the school. Students may be subject to discipline for violation of the discipline code regardless of where the misconduct takes place if the misconduct is connected to activities or incidents that have occurred on property owned or controlled by the Board, or conduct that, regardless of where it occurs, is directed at a school official or employee, or the property of the official or employee.

V. MISCONDUCT FOR WHICH ANY DISCIPLINE INCLUDING SUSPENSION AND EXPULSION MAY OCCUR

Each of the following describe misconduct that may result in a suspension, expulsion or both. When minimum consequences are described, the administrators and school officials have complete discretion, based on their judgment of the particular circumstances, whether to impose minimum consequences or greater consequences.

A. Disruption of School: Students shall not use violence, force, noise, coercion, threat, harassment, intimidation, fear, passive resistance or any other conduct, cause, attempt, or threaten to cause the disruption or obstruction of any lawful mission, process, activity, or function of the school.

Students shall not urge other students to engage in such conduct for the purpose of causing, attempting or threatening to cause the disruption or obstruction of any lawful mission, process, activity or function of the school.
While this list is not intended to be all-inclusive, the following acts illustrate the kinds of misconduct prohibited by this rule:

1. Unauthorized presence in any school building, school grounds or part thereof

2. Blocking the entrance or exit of any school building

3. Setting fire or attempting to set fire to or damaging or attempting to damage or defacing or attempting to deface any school building or property

**COMET OF THE SEMESTER**

Each semester, teachers nominate two students from all their classes and/or two students in clubs that they advise. Nominations are based on citizenship, service, motivation, leadership and/or creativity. Students are awarded a certificate during a continental breakfast held before the school day begins.

Teachers award a “Gotcha” card when students go above and beyond academically or in citizenship or service to others. The students turn the cards into the office. Drawings are held and prizes are distributed weekly.
STRIVE FOR .5

Students who increase their GPA between quarters by .5 are awarded a certificate and dessert bar during a lunch sponsored by the Academic Boosters Club.

Visitors

Visitors, particularly parents, are welcome at our school. At the same time, we want to be sure we are maintaining the safest possible environment for our students. Prior to entering the school, all visitors must present a photo ID and sign in with the security aide at the school Welcome Center at the front entrance to obtain a visitor badge prior to entering the school. Driver’s license, state ID or passport are all acceptable forms of photo ID.

Visitors, including volunteers, must display their visitor badge at all times in the building. Any visitor found in the building without a badge will be directed to return to the Welcome Center security desk or main office. Family members who wish to confer with a staff member, including the principal or guidance counselor, are asked to call for an appointment prior to coming to the school to arrange a mutually convenient meeting time. Visitors arriving without appointments or not for pre-approved volunteer activities or school programs will not be permitted to visit classrooms or travel beyond Welcome Center or office area. All visitors must also sign out at the Welcome Center when they leave the school.

Family members who are dropping off academic or necessary forgotten items for students, such as glasses or a musical instrument, will not sign in and enter the school. They will leave the item at the
Welcome Center and the school staff will be sure the student receives it as soon as possible.

Students may not bring visitors to school without prior written permission from the principal. The school cannot accommodate requests for visiting friends and relatives to “shadow” or attend classes for a day.

## Chromebook Guidelines

Students are responsible for the care of the Chromebook they have been issued by the school. Solon City School District provides a service plan for Chromebooks and each school maintains a Chromebook Help Desk at the Media Center. Broken or damaged Chromebooks must be taken to the Chromebook Help Desk. The help desk will provide students with a replacement device, or fix the existing one, limiting an interruption to time in class. **Do not take district-owned Chromebooks to an outside computer service for any type of repairs or maintenance.**

- Please do not carry your Chromebook by the screen. Screens can easily crack when lifted by a corner.
- Please feel free to personalize your Chromebook iCover, but do not place stickers or drawing on the Chromebook itself. Vents CANNOT be covered.
- Please do not remove or tamper with Solon City School District Asset tag.
- Please do not leave your Chromebook in a car. Exposure to extreme heat or cold may damage the Chromebook.
- Please do not place books or other objects on top of or against the Chromebook that could put pressure on the screen.
- Please clean the screen with a soft cloth. Always use a water-dampened towel to clean your screen or the cover of the Chromebook. Cleaning solvents can damage the screen.
Using Your Chromebook at School

- Chromebooks should be fully charged before entering school each day.
- Never leave your Chromebook unattended or unsupervised.
- Chromebook charging stations are located in the senior commons and study hall for your use. Please do not leave it unattended for a long period of time.
- Report loss or theft immediately.
- Remember that your Chromebook is for educational purposes.
- Always follow the district Acceptable Use Policy.
- Log into your Chromebook with their school email address only.
- Loaner Chromebooks - you may borrow a Chromebook for educational purposes only from the media center, a charging cord, will count towards a loaner Chromebook. On the 4th loaner Chromebooks per quarter, the following disciplinary actions may take place.
  1. Warning
  2. 2 after-school detentions
  3. 3 after-school detentions
  4. 2-hour Saturday School
  5. 4-hour Saturday School

Work Permits

Employers of students ages 14 - 17 require them to have a work permit. To obtain a work permit, pick up forms from the main office or print them by using the website www.com.state.oh.us and selecting minor work permits and then the two PDF Forms. One section of the form is to be signed by the parent/guardian; another section is to be completed by the employer and; the final form, which is a physical form, is to be filled out by a physician. The last section can be replaced with a copy of a current physical card on file in the
Athletic Director’s office. When all sections have been completed, return them with a copy of your birth certificate to the secretary in the main office. The secretary will register your permit with the Ohio Department of Commerce, keep the forms and birth certificate on file and print a permit for the student’s employer. After a three-day processing time, students need to pick up the permit to sign it and then take it to the employer.

Should a student change jobs within a year, the student needs a new work permit. However, the student only needs the employer to complete the appropriate section of the form and turn it into the main office secretary for processing. If a student changes a job after a year, all forms need to be completed and submitted along with a copy of the birth certificate.
POLICY 5517.01: BULLYING AND OTHER FORMS OF AGGRESSIVE BEHAVIOR

The Board of Education is committed to providing a safe, positive, productive, and nurturing educational environment for all of its students. The Board encourages the promotion of positive interpersonal relations between members of the school community.

Harassment, intimidation, or bullying toward a student, whether by other students, staff, or third parties is strictly prohibited and will not be tolerated. This prohibition includes aggressive behavior, physical, verbal, and psychological abuse, and violence within a dating relationship. The Board will not tolerate any gestures, comments, threats, or actions which cause or threaten to cause bodily harm or personal degradation. This policy applies to all activities in the District, including activities on school property, on a school bus, or while enroute to or from school, and those occurring off school property if the student or employee is at any school-sponsored, school-approved or school-related activity or function, such as field trips or athletic events where students are under the school’s control, in a school vehicle, or where an employee is engaged in school business.

This policy has been developed in consultation with parents, District employees, volunteers, students, and community members as prescribed in R.C. 3313.666 and the State Board of Education’s Model Policy.

Harassment, intimidation, or bullying means:

A. any intentional written, verbal, graphic, electronic, or physical act that a student or group of students exhibits toward another particular student(s) more than once and the behavior both causes mental or physical harm to the other student(s) and is sufficiently severe, persistent, or pervasive that it creates an intimidating, threatening, or abusive educational environment for the other student(s); or

B. violence within a dating relationship.
“Electronic act” means an act committed through the use of a cellular telephone, computer, pager, personal communication device, or other electronic communication device.

Aggressive behavior is defined as inappropriate conduct that is repeated enough, or serious enough, to negatively impact a student’s educational, physical, or emotional well being. This type of behavior is a form of intimidation and harassment, although it need not be based on any of the legally protected characteristics, such as sex, race, color, national origin, marital status, or disability. It would include, but not be limited to, such behaviors as stalking, bullying/cyberbullying, intimidating, menacing, coercion, name-calling, taunting, making threats, and hazing.

Harassment, intimidation, or bullying also means cyberbullying through electronically transmitted acts (i.e., internet, e-mail, cellular telephone, personal digital assistance (PDA), or wireless handheld device) that a student(s) or a group of students exhibits toward another particular student(s) more than once and the behavior both causes mental and physical harm to the other student and is sufficiently severe, persistent, or pervasive that it creates an intimidating, threatening, or abusive educational environment for the other student(s).

Any student or student’s parent/guardian who believes s/he has been or is the victim of aggressive behavior should immediately report the situation to the building principal or assistant principal, or the Superintendent. The student may also report concerns to teachers and other school staff who will be responsible for notifying the appropriate administrator or Board official. Complaints against the building principal should be filed with the Superintendent. Complaints against the Superintendent should be filed with the Board President.

Every student is encouraged, and every staff member is required, to report any situation that they believe to be aggressive behavior directed toward a student. Reports may be made to those identified
All complaints about aggressive behavior that may violate this policy shall be promptly investigated. The building principal or appropriate administrator shall prepare a written report of the investigation upon completion. Such report shall include findings of fact, a determination of whether acts of harassment, intimidation, and/or bullying were verified, and, when prohibited acts are verified, a recommendation for intervention, including disciplinary action shall be included in the report. Where appropriate, written witness statements shall be attached to the report.

If the investigation finds an instance of harassment, intimidation, and/or bullying/cyberbullying by an electronic act or otherwise, has occurred, it will result in prompt and appropriate remedial and/or disciplinary action. This may include suspension or up to expulsion for students, up to discharge for employees, exclusion for parents, guests, volunteers, and contractors, and removal from any official position and/or a request to resign for Board members. Individuals may also be referred to law enforcement officials.

If, during an investigation of a reported act of harassment, intimidation and/or bullying/cyberbullying, the Principal or appropriate administrator believes that the reported misconduct may have created a hostile learning environment and may have constituted unlawful discriminatory harassment based on a Protected Class, the Principal will report the act of bullying and/or harassment to one of the Anti-Harassment Compliance Officers so that it may be investigated in accordance with the procedures set forth in Policy 5517 – Anti-Harassment.

Retaliation against any person who reports, is thought to have reported, files a complaint, or otherwise participates in an investigation or inquiry concerning allegations of aggressive behavior is prohibited and will not be tolerated. Such retaliation shall be considered a serious violation of Board policy and independent of whether a complaint is substantiated. Suspected retaliation should be reported
in the same manner as aggressive behavior. Retaliation may result in disciplinary action as indicated above.

Deliberately making false reports about harassment, intimidation, bullying and/or other aggressive behavior for the purpose of getting someone in trouble is similarly prohibited and will not be tolerated. Deliberately making false reports may result in disciplinary action as indicated above.

If a student or other individual believes there has been aggressive behavior, regardless of whether it fits a particular definition, s/he should report it and allow the administration to determine the appropriate course of action.

The District shall implement intervention strategies (AG 5517.01) to protect a victim or other person from new or additional harassment, intimidation, or bullying and from retaliation following such a report.

This policy shall not be interpreted to infringe upon the First Amendment rights of students (i.e., to prohibit a reasoned and civil exchange of opinions, or debate, that is conducted at appropriate times and places during the school day and is protected by State or Federal law).

The complainant shall be notified of the findings of the investigation, and as appropriate, that remedial action has been taken. If after investigation, acts of bullying against a specific student are verified, the building principal or appropriate administrator shall notify the custodial parent/guardian of the victim of such finding. In providing such notification care shall be taken to respect the statutory privacy rights of the perpetrator of such harassment, intimidation, and/or bullying.

If after investigation, act of harassment, intimidate, and/or bullying by a specific student are verified, the building principal or appropriate administrator shall notify in writing the custodial parent/guard-
ian of the perpetrator of that finding. If disciplinary consequences are imposed against such student, a description of such discipline shall be included in the notification.

Complaints

Students and/or their parents/guardians may file reports regarding suspected harassment, intimidation, or bullying. Such reports shall be reasonably specific including person(s) involved, number of times and places of the alleged conduct, the target of suspected harassment, intimidation, and/or bullying, and the names of any potential student or staff witnesses. Such reports may be filed with any school staff member or administrator, and they shall be promptly forwarded to the building principal for review, investigation, and action.

Students, parents/guardians, and school personnel may make informal or anonymous complaints of conduct that they consider to be harassment, intimidation, and/or bullying by verbal report to a teacher, school administrator, or other school personnel. Such informal complaints shall be reasonably specific including person(s) involved, number of times and places of the alleged conduct, the target of suspected harassment, intimidation, and/or bullying, and the names of any potential student or staff witnesses. A school staff member or administrator who receives an informal or anonymous complaint shall promptly document the complaint in writing, including the information provided. This written report shall be promptly forwarded by the school staff member and/or administrator to the building principal for review, investigation, and appropriate action.

Individuals who make informal complaints as provided above may request that their name be maintained in confidence by the school staff member(s) and administrator(s) who receive the complaint. Anonymous complaints shall be reviewed and reasonable action shall be taken to address the situation, to the extent such action may be taken that (1) does not disclose the source of the complaint, and (2) is consistent with the due process rights of the student(s) alleged
to have committed acts of harassment, intimidation, and/or bullying. When an individual making an informal complaint has requested anonymity, the investigation of such complaint shall be limited as is appropriate in view of the anonymity of the complaint. Such limitation of investigation may include restricting action to a simple review of the complaint subject to receipt of further information and/or the withdrawal by the complaining student of the condition that his/her report be anonymous.

Privacy/Confidentiality

The School District will respect the privacy of the complainant, the individual(s) against who the complaint is filed, and the witnesses as much as possible, consistent with the Board’s legal obligations to investigate, to take appropriate action, and to conform with any discovery or disclosure obligations. All records generated under this policy and its related administrative guidelines shall be maintained as confidential to the extent permitted by law.

Reporting Requirement

At least semi-annually, the Superintendent shall provide to the President of the Board a written summary of all reported incidents and post the summary on the District web site (if one exists). The list shall be limited to the number of verified acts of harassment, intimidation, and/or bullying, whether in the classroom, on school property, to and from school, or at school-sponsored events.

Allegations of criminal misconduct and suspected child abuse will be reported to the appropriate law enforcement agency and/or to Child Protective Services in accordance with statute. District personnel shall cooperate with investigations by such agencies.

Immunity

A School District employee, student, or volunteer shall be individually immune from liability in a civil action for damages arising
from reporting an incident in accordance with this policy and R.C. 3313.666 if that person reports an incident of harassment, intimidation, and/or bullying promptly, in good faith, and in compliance with the procedures specified in this policy. Such immunity from liability shall not apply to an employee, student, or volunteer determined to have made an intentionally false report about harassment, intimidation, and/or bullying.

Notification

Notice of this policy will be annually circulated to and posted in conspicuous locations in all school buildings and departments within the District and discussed with students, as well as incorporated into the teacher, student, and parent/guardian handbooks. At least once each school year a written statement describing the policy and consequences for violations of the policy shall be sent to each student’s custodial parent or guardian.

The statement may be sent with regular student report cards or may be delivered electronically.

The policy and an explanation of the seriousness of bullying by electronic means shall be made available to students in the District and to their custodial parents or guardians.

State and Federal rights posters on discrimination and harassment shall also be posted at each building. All new hires will be required to review and sign off on this policy and the related complaint procedures.

Education and Training

In support of this policy, the Board promotes preventative educational measures to create greater awareness of aggressive behavior, including bullying and violence within a dating relationship. The Superintendent or designee shall provide appropriate training to all members of the School District community related to the implemen-
tation of this policy and its accompanying administrative guidelines.

All training regarding the Board’s policy and administrative guidelines and aggressive behavior and bullying in general, will be age and content appropriate.

Annually, the District shall provide all students enrolled in the District with age-appropriate instruction regarding the Board’s policy, including a written or verbal discussion of the consequences for violations of the policy.

Students in grades seven (7) through twelve (12) shall receive age-appropriate instruction in dating violence prevention education, including instruction in recognizing dating violence warning signs and characteristics of healthy relationships. Parents, who submit a written request to the building principal to examine the dating violence prevention instruction materials used in the school, will be afforded an opportunity to review the materials within a reasonable period of time.

The District shall provide training, workshops, and/or courses on this policy for school employees and volunteers who have direct contact with students. Time spent by school staff in these training programs shall apply toward mandated continuing education requirements.

In accordance with Board Policy 8462, the Superintendent shall include a review of this policy on bullying and other forms of harassment in the required training in the prevention of child abuse, violence, and substance abuse and the promotion of positive youth development.

The Superintendent shall develop administrative guidelines to implement this policy. Guidelines shall include reporting and investigative procedures, as needed. The complaint procedure established by the Superintendent shall be followed.

The Solon Schools are connected to the Safe School Helpline, a free, confidential hotline available 24 hours a day, seven days a week.

Students, parents, staff and community members are urged to use the Safe School Helpline to share information about safety and security and remain anonymous.

The toll-free number, 800-418-6423, ext. 359, includes a secure voice mail box assigned specifically to the Solon Schools. When a person calls the Helpline, he or she is advised on how to leave the information and receives a case number with instructions to call back in a specified amount of time to receive confirmation that the message was received. The system sends a typed copy of the message to the Superintendent of Solon Schools, who then leads an investigation of the report and determines the appropriate action to be taken.

The Helpline should be used to report any information, remarks or actions seen or heard that could potentially jeopardize the safety of Solon students or is concerning in any way. For example, information regarding violence, theft, drug or alcohol use, weapons, talk of suicide and sexual harassment should always be reported.

Of course, students and parents are encouraged to contact Solon administrators or teachers directly with such information, but if anonymity is a concern, the Helpline provides a way to ensure everyone’s safety and protect identities at the same time. The Helpline is completely confidential as the system is not directly connected to the Solon Schools or its phone system in any way.
