

## Visual Arts Official Rules

**VISUAL ARTS** include many art forms that are visual in nature. The artist (student submitting entry) is a person who captures their own thoughts and ideas to create a visual piece of art.

**Accepted forms of visual art include:** Architecture drawings and models, ceramics, collage, computer generated images and graphics, crafts, drawings, fashion clothes and jewelry, fiber work, mixed media, painting, printmaking and sculpture. Reproductions or enlargements of other artwork are not accepted. Due Date: Tuesday **November 6, 2018**.

### **Reflect on the 2018-2019 Theme: *Heroes Around Me***

An explanation of the art form might be a useful addition to the artist statement. Whether an entry displays use of formal technique or a simple approach, it will be judged primarily on how well the student uses his or her artistic vision to portray the theme, originality and creativity.

**Copyright:** Use of copyrighted material, including any copyrighted cartoon characters or likeness thereof, is not acceptable in any visual arts submission, with the following exceptions:

- Visual artwork may include public places, well-known products, trademarks or certain other copyrighted material as long as that copyrighted material is incidental to the subject matter of the piece and/or is a smaller element of a whole. The resulting work cannot try to establish an association between the student and the trademark/business/material, or influence the purchase/non-purchase of the trademarked good.
- Visual arts collages may include portions of existing copyrighted works, such as photographs, magazine clippings, internet images and type cut out of a newspaper, as long as those portions of copyrighted works are used to create a completely new and different work of art.
