Please read the rules for all 23 events in Division B using the above link. If the link does not work, go to the Solon Middle School Science Olympiad page, and click on Files.

After reading the rules carefully, please list the top 6 events you would be interested in:

- |          |          |
|----------|----------|
| 1. _____ | 4. _____ |
| 2. _____ | 5. _____ |
| 3. _____ | 6. _____ |

Science Olympiad is a STEM program that provides encouragement and nourishment for students interested in science and engineering. It is a family that hones passion and builds character. Knowing this, why do *you* think you would be a good addition to the team? What does science mean to you? (200-450 words)

(This essay, your science grades, state test results, etc. will be taken into consideration when selecting the team.)

If you have any questions, please email - [smstryouts@gmail.com](mailto:smstryouts@gmail.com)
