

Grade 9 SchoolLinks Onboarding

Learning Target: Students will be able to independently log into SchoolLinks – our college and career readiness program. Students will have the tools to identify their current interests, strengths, and opportunities for growth. Students will also begin to develop their resumé within SchoolLinks.

Task #1: Complete the SchoolLinks Onboarding Survey

1. Go to the School Counseling Website, click on the *College* or *Career* tab, and click on the *SchoolLinks* tab – (or website: <https://app.schoollinks.com/login/k12>). Bookmark the log in screen for SchoolLinks (Click the star)

2. Click on *Log in with Google*.
3. Select your school Gmail account.
4. After reading the information on the *Let's Get Onboarding* screen, Click on *Let's Go*.
 - YOU MUST TAKE YOUR TIME AND SELECT **CAREFULLY**...the truth = more accurate results.
 - i. Answer the series of questions (green checks/red X's or ? – you can also go back) and it will take you to your personality match.
 - Click on *Next* and that will take you to career clusters. There are “Top cluster matches” and “Other clusters.” Select one that is most interesting to you, click on *Next*.
 - That will take you to *Careers in your cluster* – select one of interest – hit *Next*.
 - On the next screen you will find *related majors or training programs* for that career – select one – hit *Next*.
 - The next screen that you will see is a condensed results page for you.
 - Click on *Go to Dashboard*.

Task #2: Create SchoolLinks Resumé
