

Washington D.C. Trip

Dear Parents, Guardians, and 8th Grade Students,

Parents, thank you for your attendance and support at our meeting. Students, thank you for continuing to behave in a manner that earns you the privilege of traveling with your classmates to Washington D.C. on June 3rd-5th. The end-of-the-year field trip we offer this year is sure to be a first-class experience to be remembered always. Enclosed you will find instructions to ensure a safe, fun, and educational trip.

Please read all of the information contained in this packet. You will need to refer to it often as the date approaches, so **please save it.** The permission slips need to be signed and returned to Mr. Bubonics by January 11th. **Note that we require the signature of both the student and the parent/guardian. The permission slip is a requirement from Solon Middle School.**

The cost of the trip this year is **\$550**. This is, of course, a non-profit endeavor as all funds collected will be spent on your child. The fee is all-inclusive. To help ease the burden, we have scheduled events that will not require additional expenses in “dress-up” clothing.

If you have the ability to pay for the trip in one payment, you are able to do this. If you need to make smaller payments, that is acceptable as well as long as you are consistently making the payments. We have also offered a payment schedule for your convenience. It is imperative that the first payment be on time in order to determine the number of final travelers so that final arrangements can be secured. Please note: 45 days outside of the trip you can receive all but \$25 back if you decide not to you're your child attend. Inside 45 days, you receive a half-refund plus any non-refundables.

Students, remember that good, responsible behavior throughout the remainder of this year is required to keep the privilege of going to Washington. A suspension automatically eliminates you from this trip, so make sure you make good choices at Solon Middle School. Do your best to be on your best behavior every day and this exciting excursion will be your reward. Don't lose the opportunity to travel with your friends and teachers because of inappropriate behavior in school. Parents, we will reinforce this message throughout the school year. Could you please do the same at home? As always, feel free to email Ed Bubonics with your questions or concerns.

With approximately 350 students participating, the recommended form of contact is email. This will help facilitate the answering of questions as soon as possible. All documents will be posted on the SMS Homepage. Please refer to links to the right side of the page.

Sincerely,

Ed Bubonics

TRANSPORTATION

We will be traveling on clean and modern Anderson buses. For emergencies, restrooms are available on the bus. Students are expected to comply with all bus regulations.

GUIDELINES FOR TRAVEL

1. You may bring phones or other forms of media. We've never completed a trip without someone losing something of value, so you must keep track of these items.
2. Each student is permitted one suitcase, which will be loaded under the bus. You are welcome to bring a snack to eat on the bus.
3. You may pack a small overnight bag for personal articles. It must be small enough to fit under your seat.
4. Pack only what you need for two nights – not one week.
5. All personal belongings should be identified.
6. Be careful with your money. You may want to budget a little extra for these meals. You may also want some extra money for vending machines, snacks, souvenirs, and other items. We suggest \$50-\$100.

3. I will keep my room door locked and chained at all times. I understand that we must open our door should any teacher demand an immediate inspection.
3. I may not use the phone in our rooms unless I need to call my chaperone in case of emergency.
4. I understand that our room must be in neat order at departure.
5. Upon curfew, our door will be taped. If that tape should be broken, parents may be required to pick me up immediately from the tour.
6. I will not allow security guards to enter our room at any time.
7. I am not permitted to go anywhere in the hotel without the permission of my chaperone.

2. Texting is only permitted while riding or bus or in hotel rooms. No texting is allowed during tours.
3. Cell phones can be used to take pictures during appropriate times.

Touring:

1. I understand that before leaving the bus at each tour site, I will be given special instructions. I will be attentive and quiet for these instructions.
2. I understand that I must be attentive at all times when a tour is being conducted, whether while walking or while riding the bus.
