

Solon City Schools
33800 Inwood Road
Solon, Ohio 44139

To the Parents/Guardians of New Students:

The following health information is required for entrance into Solon City Schools. Your prompt attention to complete the forms and return them to the school clinic is greatly appreciated.

IMMUNIZATIONS: Immunization information must be completed and on file within 15 days of school entrance. Complete dates (month/day/year) are needed for each immunization. A copy of the immunization record from the previous school is acceptable. See *Immunization Requirements* or the *Student Medical Record* form available under Registration Information for required vaccinations.

HEALTH QUESTIONNAIRE: Please complete the form and return it to the school clinic. If there are health concerns you wish to discuss with the nurse, please contact the school clinic.

PHYSICAL EXAMINATION: A physical examination is recommended by the Ohio Department of Health. Please have the student's physician complete the physical form (*Student Medical Record*) and return it to the clinic within the first 30 days of school. A physical given within one year is acceptable.

Please call the school clinic if you have any questions about the health requirements or concerns about your child's health.

Sincerely,

Caroline Carrell, BSN, RN District Nurse
