SOLON MIDDLE SCHOOL NOMINATED FOR SECOND BLUE RIBBON SCHOOL AWARD

The Ohio Department of Education this month nominated Solon Middle School for the U.S. Department of Education’s prestigious National Blue Ribbon School Award. Solon Middle School is one of only 14 Ohio schools nominated for the 2020 award. This is SMS’ second nomination. The school first won the award in 2010.

To qualify as an “exemplary high performing school” under Department of Education Blue Ribbon School guidelines, Solon Middle School student achievement results ranked in the top tier of all Ohio schools.

“Congratulations to everyone at Solon Middle School for this important nomination,” said Fred Bolden, Solon Schools’ superintendent pro tempore. “The Blue Ribbon Schools application process will provide a unique opportunity for Solon Middle School to highlight its engaging learning environment as well as its breadth of extra-curricular programing, which helps students to develop new interests, connect with peers and follow their passions in the arts, athletics, and community service to name a few.”

The National Blue Ribbon Schools program “celebrates great American schools, schools demonstrating that all students can achieve to high levels,” according to the U.S. Department of Education. “The National Blue Ribbon School award affirms the hard work of students, educators, families, and communities in creating safe and welcoming schools where students master challenging content. The National Blue Ribbon School flag gracing an entry or flying overhead is a widely recognized symbol of exemplary teaching and learning.”

The middle school staff is now engaged in the next steps of the nomination process by submitting the extensive application materials to the U.S. Department of Education. The 2020 Blue Ribbon School award winners will be announced in the fall.
