Solon Music Parents

This group supports the music programs at Orchard, Solon Middle and Solon High School. Membership is automatic for all parents of music students and meetings are open to anyone interested. Funds raised through concession operations, Tag Day, pasta dinner and other events support uniform and equipment purchases, trip subsidies and other activities. Meetings are held the first Tuesday of each month.

Organized Parent Education Network (OPEN)

OPEN invites Solon parents, school professionals and interested community members to participate in educational seminars and networking meetings to address the problems that can interfere with a student's school success. Topics will include special education issues, mental health as well as other concerns that prevent students from performing according to their individual potential. The goals of OPEN are: improving communication between parents and professionals, providing an information source for parents, extending parent support for academic and social concerns, and instilling school and community awareness. Anne Dellamorte, Parent Mentor 440-349-8039 Sarah Asbury asbury32@gmail.com

Comets' Athletic Schedules

Schedules for high school and middle school sports change often. To provide the most up-to-date information about games dates, times and field locations for student athletes, their parents and fans, the Solon Schools participate in Schedule Star. This online school information source is a one-stop resource for athletic schedules.

Students, parents and fans can customize how they view the site to see daily, weekly, monthly or full-season schedules for all Solon athletics or by individual sports. An easy-to-access link is posted on the Athletics page of the Solon Schools website. Schedule Star can also be accessed directly at www.schedulestar.com.
