## Writer's Workshop Cover Project

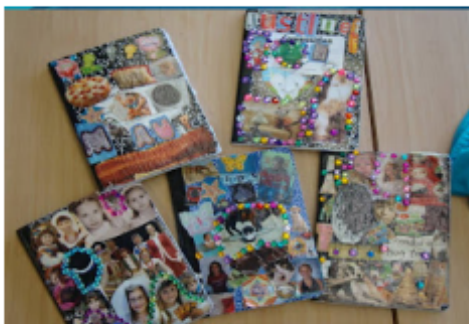

Hello 3rd Grade Families!

We are off to a wonderful start in 3rd grade. As we continue practicing routines and getting to know each other, one place we will spend time doing this is in Writer's Workshop. In Writer's Workshop 3rd graders will use several tools to support them in being their best self as writers. One tool they will use is their Writer's Notebook. To help personalize their notebooks, we will decorate them with pictures and symbols that represent stories in their life.

**By Wednesday, August 24th please send in creative items to help your child decorate.** These items may include pictures, stickers, tickets, etc. of

- Families
- Pets
- Hobbies
- Collections
- Trips
- Memories

Here are some examples...

I look forward to seeing what your 3rd grader creates!
