Our Learning

Math - This week we will begin Topic 2. 3rd graders will learn more about multiplication. We will learn a variety of strategies to support them in learning their multiples.

Reading- We are beginning our first reading unit, Building a Reading Life. We will focus on building our best reading life. Be sure to ask your child about reading like gold!

Writing - Our writing and typing stamina is building! We will keep practicing in the beginning of the week. Then will start our personal narratives.

Social Studies - This week we will finish our culture building lessons. Students will determine our classroom rules and practice perseverance.
