

MISS BALDWIN'S WEEKLY NEWS

WEEK OF SEPTEMBER 12 - SEPTEMBER 16TH

Important Dates

Monday, September 12 - Topic 2 SWYK Scores Released on Edulastic: Please check your child's score

Friday, September 16 - Movie Night

Thursday, September 22 - Picture Day

Our Learning

Math - This week we will begin Topic 3. Students will understand multiplication properties, and learn more of their multiples. Here is a song we are learning to help:

Reading- We are continuing to build our best reading life! We have moved into discussing strategies to understand a story. Students also have begun their guided reading group.

Writing - Students have picked a seed story and will begin to draft this week. We will then begin revising strategies.

Science - We have learned that rocks don't last forever, and they can become part of soil. We will investigate different types of soil this week.

Homework

Monday - Friday
Read & Daily Review

We Started Stone Fox!

Questions you might ask...

- Can you predict what might happen next?
- Why is grandfather not feeling well?
- What is a character trait you would give Little Willy?
